

## Fast Funding Sources

This is a list of sources of business funding based on revenue only and that don't require debt, equity or crowdfunding:

### [Lighter Capital](#)

\$50,000 to \$1Million in entrepreneur-friendly growth capital.

### [Bolstr](#)

A marketplace for angel investors using revenue royalties. Fast, simple funding from real investors.

### [Cypress Growth Royalty Financing](#)

Royalty-based finance for companies in the Southwest U.S., with a preference for Texas and Colorado.

### [Urban Capital Royalty Fund](#)

“By providing intermediate-term expansion capital at attractive rates and combining those returns with royalty payments tied to increases in revenue, yields can be improved and returns can be realized earlier than typical debt related opportunities.”

### [Sabine Growth Capital](#)

Sabine provides traditional private equity and venture capital services, as well as unique Royalty Based Financing (RBF) solutions that are non-dilutive to a company's shareholders and pay a competitive current yield to investors.

### [Others are available with a private introduction.](#)
